- Why you shared it?
- And explain how you felt about sharing it?

Band 9 Model Answer to Describe a time when you shared something with others IELTS Cue Card

- We as a whole need to share numerous things in our everyday life.

- I additionally share numerous things with my kin and companions.
- Here I might want to discuss something I imparted to my companion, Rohan.
- I imparted my books and notes to him.
- It so happened that only 15 days before our +2 last test of the year, Rohan lost his entire school sack.
- Every one of his books and notes were in that pack.
- He kept it in the school ground as he needed to play cricket for quite a while.
- After the game, he was unable to discover his pack anyplace.
- He looked all over the place and asked each and every individual who was there, however nobody knew at least something about it.
- Somebody had clearly taken it.
- In reality, he used to consistently stand first in class and his notes were exceptionally valuable.
- He was in a real sense very nearly tears.
- I advised him not to frenzy and presented to impart every one of my notes and books to him till the tests.
- Luckily, he lives in my area.
- Thus, offering this load of books and notes to him was simple.
- The majority of my notes were duplicated from his scratch pad as it were.
- I understood that offering things to others gives bliss.
- Offering my notes to Rohan, reinforced our obligations of companionship.
- It helped me moreover.
- Since I needed to share my books, I considered them inside my time.
- Typically, I have a propensity for tarrying.
- I generally concentrate for my tests almost too late.
- However, this time, I concentrated on schedule and was good to go.
- We both breezed through without a hitch.

Indeed, I love to share. Truth be told, I imparted my dinners to every one of my companions at school. I likewise used to impart my notes to my companions and colleagues. It was a propensity.

2. What are the outcomes if kids don't care to share?

I figure it very well may be hard for youngsters to make new companions in case they are reluctant to share. At the point when kids grow up, they may deal with significantly more serious issues. For instance, when they are working in an organization and they are approached to impart their obligations to other people. In the event that they neglect to do as such, they may even lose their positions.

3. How do you feel about offering facilities to others nearby?

I'm available to imparting a house to other people however I'm not open to sharing my room.

Additionally, on account of house, it would rely on the individual I need to impart the convenience to. I couldn't imagine anything better than to impart convenience to individuals with a similar mentality.

4. How could guardians and instructors train small kids to share?

I figure guardians could do this by really making kids share liabilities and things at home. For instance, small kids ought to be made to share a room. Instructors can give bunch tasks and urge youngsters to cooperate. At the point when they cooperate and rely on one another, they would consequently figure out how to share.

5. Do individuals in your nation (or, you) really like to share public vehicle or do they (you) really like to utilize private vehicle?

Indeed, it relies upon the monetary status of individuals. The individuals who can bear, as to utilize their own private vehicle. Others lean toward public vehicle. It likewise relies upon the accessibility and solace of public vehicle. Since the time the air conditioner transports have worked on their recurrence to Chandigarh, I like to go on those than passing by my vehicle.

6. Do many individuals in your nation share their home with others or do they generally live alone?

The vast majority live in their own home or live in a leased house. Be that as it may, they don't impart their home to anyone. Understudies share condos on the off chance that they concentrate away from their old neighborhood.

7. Do you think there are any benefits to imparting your home to other (non-family) individuals?

In the event that you can coexist well with others, there are benefits. However, in case there are clashes, it very well may be a terrible encounter. Benefits are that the costs can be shared. Thus, it becomes less expensive.

8. Would you at any point share your food with another person?

Ordinarily, I have imparted my tiffin to my companions. Indeed, I would promptly impart my food to other people.
